

Dear Members,

Workshops in the 2021-2022 season will be virtual to start with the intention of transitioning to an in-person format. While we are using the virtual format, we are not accepting guest passes. WHEN we move to in-person workshops, we will accept guest passes **ONSITE ONLY**. At that time, you will be able to either use the online form above, download a copy of the guest pass using this link or obtain a copy at the workshop. Thank you for your cooperation and understanding.

Sincerely,

David Ruggiero
