

# New England Orff Chapter Guest Pass

## **To Chapter Members and Prospective Chapter Members:**

If you are attending an NEAOSA workshop for the very first time, you are an NEAOSA guest; therefore, we will waive your day-only registration fee for today. If you have previously attended an NEAOSA workshop, you must be sponsored by a current member in order to use this guest pass.

Please note that the intention of this guest pass is to introduce other music teachers, classroom teachers and administrators to Orff-Schulwerk and the New England Chapter or to re-introduce former members who have been away from the chapter for 3 or more years. Current members can only sponsor someone with this guest pass **ONCE** each year, and, likewise, guests can only be sponsored with this pass **ONCE** each year.

These guest passes will be verified to ensure that they have been used as intended. If it is determined that a guest pass is invalid, the individual being sponsored will be required to pay the \$40 day-only fee.
